E-Z SERVICE PLAN

Benefits Include:

ANNUAL SYSTEM TUNE UP

Your cooling system will operate more efficiently with annual maintenance from one of our certified and highly skilled technicians. With the price of energy increasing, maximizing the efficiency and properly maintaining your equipment will **help lower your energy costs**, saving you money and keeping you cool all summer long.

PRIORITY SERVICE

Our Service Plan customers receive **priority scheduling** for any unexpected issue that may occur. Rest assured that we will be there during the hottest days of summer and should your system need service after hours, you will have our 1st appointment on the next business day.

20% DISCOUNT ON SERVICE

Our Service Plan provides you with a **discount of 20% off the total diagnostic & repair cost** if the maintenance is ever needed (excluding system replacements).

IMPROVED INDOOR AIR QUALITY

Airborne dirt and debris can clog filters and affect proper and efficient operation of your air conditioning equipment as well as affect the indoor air quality. Our Annual System Tune Up **improves you and your family's indoor air quality.**

FISHER-CHURCHILL SAVINGS

Enroll in our E-Z Service Plan and any of the following and save \$50:

Multiple Units

Water Heater

Heating Oil

Gas

NEW AIR CONDITIONING SYSTEM EQUIPMENT

If your air conditioning system is old, inefficient, or in need of repair, upgrading to a new system can help you save significantly on energy costs. Today's systems are as much as 60% more efficient than those systems manufactured as little as 10 years ago. If you are concerned about utility bills or are faced with an expensive repair, you may want to consider replacing your system rather than enduring another costly season or paying to replace an expensive component. The utility cost savings of a new unit can provide an attractive return on your investment.

TERMS & CONDITIONS

1. This agreement is between the customer and Fisher-Churchill Co. herein referred to as the Company. This agreement will automatically suspend if the customer ceases to pay for repair parts, labor, or other chargeable items when due, or renders or permits anyone other than the Company to perform service to the oil/gas air conditioning or heat pump system and associated equipment, unless so instructed beforehand by the Company. There shall be no obligation upon the Company to perform any service or provide parts after termination of this agreement. Upon termination there shall be no refund or credits allowed. This agreement is transferable.
2. This agreement is offered to all customers subject to an inspection and approval of their equipment. If upon inspection, customer's equipment is found to be unacceptable or obsolete, customer's contract coverage will be cancelled and a pro-rated refund will be returned to the customer. Repairs required to place equipment in acceptable conditions are excluded and will be charged separately.
3. This agreement will become effective immediately following the inspection and approval of the customer's equipment, as required above, and payment of the Cooling E-Z Service Plan invoice. This agreement is effective for a twelve (12) month period and will automatically renew.
4. Priority Service is defined as first available service and will be billed at normal business hour rates (8:00 A.M. - 4:30 P.M.). Priority Service provided on holidays and/or outside of normal hours will be subject to a prevailing rate of 1-1/2 times, minimum 1 hour.
5. Only EMERGENCY SERVICE will be performed outside of normal working hours. EMERGENCY SERVICE shall be defined as: NO heat or air conditioning, creating an unsafe condition or causing damage to property. Non-emergency work, if requested, would be billed at our standard overtime rates.
6. This agreement does not cover repair or service of this equipment damaged due to fire, flood, lightning, freeze up, acts of God, or civil disturbance.
7. The Company's obligation to furnish parts specifically listed herein shall be subject to the availability of parts through usual supply sources. Replacement of obsolete items for which parts are not available will be performed on a time and material basis.
8. The Company shall be liable solely for repairs to the covered equipment. Under no circumstances shall the Company be liable for any consequential or resultant damages or injury (including death) to persons or property, nor for damages resulting from defective equipment; loss of damage resulting from operation or non-operation of said equipment; delays in performing service; making repairs or installations of parts; because of strikes, accidents, explosions, or shortages; or due to other conditions beyond the control of the Company.
9. The 20% service discount associated with the E-Z Service Plan is only eligible towards the replacement / repair on the existing cooling system in place. The respective plan discount will not be valid towards service work associated with upgrading equipment, converting energy sources, or new equipment installations.
10. This agreement contains in the entire agreement of the parties hereto and there are no promises, terms, conditions, or obligations other than printed herein.
11. Customer will receive an annual \$50 discount on any bundled E-Z Service Plan(s) upon renewal.
